Dimensions & Weight

L310  
Weight: 2.8 kg (6.2 lb)

\*1 Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 cm x 15 cm photo print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

#1 Black text  
#2 Black text and graphics  
#3 Photo 4R (4" x 6")  
\*2 When printed on Epson Premium Glossy Photo Paper.  
\*3 Via custom setting. Otherwise 3 mm top, left, right, bottom.  
\*4 Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC 24711. Actual yields may vary depending on manner of usage and print pattern.

\*Standard warranty period is one year or 30,000 pages whichever comes first. \*Total Colour Cost Per Print - 18 Paise (CMY) + 7 Paise (K) = 25 Paise. Cost Per Print (CPP) is calculated based on quoted Page Yield for Black (4,500 pages) and Composite (Cyan/Magenta/Yellow - 7,500 Pages) ink bottles, and MRP of genuine Epson ink bottles. Quoted patterns of mixed text and colour graphics with Epson methodology. Quoted yields are based on the replacement ink bottles purchased. Part of the ink from the included bottles is used for printer startup so yields could be lower than those of replacement ink bottles. Actual yields vary due to reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. Ink is used for both printing and printhead maintenance. All inks are used for both black and colour printing. Quoted CPP applicable for L3150, L3110, L565, L310 and L130. \*Source: IDC Asia Pacific Hardcopy Peripherals Tracker 2018 Q2. Volume and Value Market share of A4 Inkjet Printers and MPFs.

Take your business productivity to the next level with the original EcoTank L310 Printer featuring faster performance with no compromise on quality. Its high-capacity ink tanks and superb durability ensure reliable high-volume printing and unrivalled low running costs.

### Superb Savings and Page Yield

Epson's proven original EcoTank System delivers reliable printing with unrivalled economy. At just ₹299 per bottle, Epson genuine ink bottles let you enjoy ultra-high page yields of up to 4,500 pages (black) at very low running costs.

The L310 features Epson's fast ink top-up technology for easy, mess-free refills. Special tubes in the printer ensure smooth and reliable ink flow at all times.

### Superb Print Speed

Equipped with Epson's proven Micro Piezo™ printhead technology, the L310 has a high durability rating.

Busy offices will appreciate the improved printing speeds of up to 33 ppm for draft black & white prints, and up to 9.2 ipm for default black & white prints. High-volume printing has never been this quick and efficient.

### Space-saving Design

The L310 is compactly designed to take up less space than previous models. Its smaller footprint means it can fit comfortably anywhere in your office or your home.

### 1-year Genuine Warranty

Enjoy warranty coverage of one year or 30,000 pages, whichever comes first, for maximum value from your printer and freedom from worries over its maintenance.

### Unsurpassed Print Quality

An astoundingly-high resolution of 5760 dpi ensures exceptionally-high-quality prints for all your business and creative needs.

### CONSUMABLES

Epson genuine inks are designed specifically to work with your Epson printer to deliver long-lasting results.

Epson specialty media is developed to complement Epson genuine inks to produce exceptionally-high quality prints.
