

Epson WorkForce M100

DATASHEET

The Epson WorkForce M100 is a single-function monochrome integrated ink tank system printer with Ethernet connectivity. This continuous ink system is ideal for home office and small office users, who are looking to cut their printing costs, and comes with two Epson genuine ink bottles – one starter bottle and one standard 140ml bottle. Standard ink bottles offer a page yield of 6,000 pages¹.

Epson's fast-drying genuine pigment ink ensures business documents are water, smudge and fade resistant, while Micro Piezo technology offers Epson-quality document printing. In addition, a 12-month (or 50,000-page) warranty, and additional service support, provide peace of mind and help if you need it.

The purpose-built ink tank system is fully integrated into the printer, so you can enjoy reliable printing without the mess or hassle often associated with non-genuine refills and third-party ink tank systems. The Epson genuine ink bottles make it easy to refill the ink tank with their clear labelling and drip-free nozzle.

The Epson WorkForce M100 is network-ready for sharing across small workgroups, but can also be used on individual user desktops thanks to its compact size. Fast print speeds of up to 15ppm² also help boost office productivity, so you don't have to wait around for prints. In addition, you can produce a variety of additional materials, such as headed paper, business cards and envelopes.

The Epson WorkForce M100 has a small footprint that easily complements any work environment it is in. And thanks to its quick start-up and low energy usage, this ENERGY STAR-qualified printer is ideal for any energy-efficient office.

KEY FEATURES

- Monochrome integrated ink tank system
- Network-ready printer
- Micro Piezo technology
- Epson service warranty

PRODUCT SPECIFICATIONS

TECHNOLOGY

Printing Method	On-demand inkjet (Piezo electric)
Nozzle Configuration	360 Nozzles black
Minimum Droplet Size	3 pl, With Variable-Sized Droplet Technology
Category	Office

PRINT

Draft printing speed	34 Pages/min Monochrome (plain paper 75 g/m ²)
Printing Speed ISO/IEC 24734	15 Pages/min Monochrome
Printing Resolution	1.440 x 720 dpi
Max Duty cycle	5.000 Pages per month
Colours	Black
